

Bring Cali Kids To Your Organization

Professionally managed youth wrestling programs for schools, churches, homeschool groups, community centers, arks and recreation departments, and youth organizations.

Building Stronger Communities Through Wrestling

Whether you're looking to expand your youth programming, introduce a new after-school activity, or build a competitive wrestling team, Cali Kids provides everything needed to create a successful wrestling program at your organization.

Why Organizations Choose Cali Kids

Wrestling Builds More Than Athletes

Every participant develops valuable life skills that extend far beyond the wrestling mat.

*Participants Learn: Confidence Discipline Leadership
Respect Accountability Teamwork Mental Toughness
Sportsmanship Problem Solving Perseverance*

Unlike many sports, every participant stays active throughout practice. There are no benches, very little waiting, and constant opportunities to learn, move, and improve.

Cali Kids partners with organizations to deliver professionally managed wrestling programs that build confidence, discipline, athleticism, and character.

Our programs are designed to make implementation easy. We provide the coaching, equipment, curriculum, and support so your organization can focus on creating an exceptional experience for your participants.

Cali Kids Provides

- Experienced Coaches
- Wrestling Mats
- Structured Curriculum
- Program Administration
- Ongoing Support

Your organization provides the space—we'll take care of the rest.

YOUR PROGRAM, YOUR WAY

Customized for Your Organization

Every organization is unique, so every Cali Kids program is tailored to fit your goals, participants, and schedule.

Whether you're looking for a fun introductory wrestling program, a recreational youth activity, or a more competitive development program, we'll design a program that meets your community's needs.

Program options include:

- Recreational or competitive instruction
- 6-, 8-, or 10-week+ sessions
- Semester-long or year-round partnerships
- One or multiple practices each week
- Age-specific groups
- Competition opportunities for interested organizations

No prior wrestling experience is required. Programs can be adapted for participants of all ages and skill levels.

What Our Partners Say

"The wrestling program has been a wonderful addition to our after-school offerings. Coach Chris and his staff created a fun, positive, and structured environment where students built confidence, discipline, and athletic skills. The feedback from students and families has been overwhelmingly positive."

Stanley Zelphin – Assistant Principal, Merryhill Private School
